Notice to Candidates affected by Image not visible during CBAT on 10-05-2019

The Computer Based Aptitude Test (CBAT) for the shortlisted candidates was conducted on 10-05-2019. During the CBAT, certain candidates in few of the centres have faced a technical issue of image not visible while answering the responses in Test Battery 4 or 5. Many of these affected candidates have given their representations of image not visible issue in the centre itself immediately after the completion of CBAT. However, in few centres, though candidates highlighted the issue of image not visible, they have not given their representations to the centre but later sent mail to the RRBs detailing the issues faced by them.

The representations of these candidates are being scrutinised and validated based on the activities/responses carried out by the candidates during the CBAT.

Further, those candidates who were affected due to image not visible but have not furnished their representations either at their centres or by email till 13-05-2019 may click on the link provided on the websites of RRBs and furnish relevant issues faced by them during the CBAT on 10-05-2019.

This facility to submit representation will be available from 17.00 hrs of 15-05-2019 to 12.00hrs of 17-05-2019 beyond which representations in any form will not be entertained. Also candidates are **warned against making false representations** and RRB reserves the right to take appropriate action against such false representations. Also candidates may note that ***for the rescheduled candidates, the Aptitude Test attended by them on 10-05-2019 will be treated as cancelled.***

All the representations received through the link will be reviewed by RRBs and only those candidates who were genuinely/likely to have been affected will be rescheduled on 21-05-2019 and E-call letter will be available for download on 18-05-2019 and CBAT will be held at 15.00 hrs on 21-05-2019. The candidates rescheduled will also be advised through email as well as SMS to download their E-call letter.
